Minimum project value: \$150. All custom work is quoted individually.

This guide reflects typical ranges. A detailed quote is provided after reviewing your project.
Work does not begin until a deposit is received.

01 / DESIGN & DEVELOPMENT

Design & Development Fee

\$350 – \$750 flat

Non-refundable. Quoted separately from final product cost. Applies to any project not based on an existing product — new patterns, one-off constructions, or client-initiated designs. Covers concept development, pattern drafting, material and hardware selection, prototyping, and revisions.

02 / LEATHER GOODS — CUSTOM PRODUCT COST

Small goods

\$150 – \$220

Wallets, card sleeves, key fobs.

Mid-size goods

\$220 – \$400

Slings, organizers, pouches.

Larger or specialty builds

\$400+

Bags, custom items. Ranges reflect leather type, hardware, and construction time. Final price confirmed after design review.

03 / LASER ENGRAVING

Initials or simple text (on our products)

\$30

Name + small graphic or short phrase

\$40

Larger or detailed engraving

\$45 – \$60

Bulk engraving

Quoted per unit

Discounts apply at volume. Simplified artwork preferred.

Engraving on customer-supplied items

\$40 – \$75 + \$50 setup

Items engraved at customer's risk. Test pieces may be required on unknown materials.

File setup / vector prep

\$100 flat

Waived for production-ready files: clean paths, correct scale, closed shapes.

Laser cutting or CNC machine time

\$75 – \$85 / hr

1-hour minimum. Customer-supplied materials may require test cuts billed at standard rate.

MOPA fiber laser engraving on metal

\$200 minimum

100W fiber laser. Color marking, deep engraving, and annealing on steel, aluminum, and coated metals. Quoted per project above minimum.

Material costs (wood, acrylic, metal stock) billed separately unless otherwise arranged.

Rush fee

\$150 – \$250

Depends on timeline and current workload. May affect per-unit cost. Rush availability is not guaranteed — confirm before committing to a deadline.
